LOOK ALIVE, SUNSHINE!

IT'S DR. DEATH-DEFYING, IN YOUR SPEAKER BEATER, REVVING UP YOUR MORNING ENGINES.

YOUR EAR ON THE EARTH! YOUR CATARACT IN THE CLOUDS!

SOMETHING BIG WENT OFF LATE LAST NIGHT ON THE OUTSKIRTS OF BAT CITY.

DOOM

A B.L.I. BUG BOMB, THEY CALL IT, AND THE BODIES KEEP POPPING—

ZZZZZIP

...BEFORE THE BLACKOUT GAS HITS YOU FASTER THAN MEDUSA'S MOTORBIKE!

SCATE

BUT DON'T GET ALL CHOKED UP OVER IT. GET YOUR MASK ON...

GRAB YOUR FRIENDS...

AND HOLD THEM CLOSE.

'CUZ WE GOT NO TIME FOR HEROES...

BOOM

AND NO ROOM FOR GHOSTS.

BOO.

SPEAKING OF APPARITIONS-- FEELING A LITTLE LIME GREEN ALL **IN-BE-TWEEN?** TOMMY CHOW MEIN GOT HIS PRICKLY LITTLE LIMBS ON A NEW BATCH OF **DUPE-GOOP,** FOR ANY STILL DEALING WITH FLASH RASH.

OR, IF **YOU** PREFER TO DO THE FLASHING...UPGRADE YOUR **PURITAN BLASTER** TO "WHITE HOT" WITH TODAY'S LUNCH SPECIAL.

HE'S IN ROOM 4B OF THE PARADISE MOTEL TODAY. THIS MESSAGE HAS BEEN BROUGHT TO YOU BY BATTERY-POWERED EXPLODERS-- "LET THE GOOD TIMES BLOW."

HURRY UP.

IF WE WANT TO EAT TODAY, WE'RE GONNA HAVE TO SEE CHOW MEIN.

ON A SADDER NOTE, AND IN THE WORDS OF OUR MOST POETIC D.J., CHERRI COLA...

HotComic.net

IT'S BEEN TWELVE YEARS SINCE THE FOUR-MAN BANGER CELL GAVE THEIR COLORS TO END B.L.I.'S WHITE CRIES. **THEY** CALLED THEMSELVES **KILLJOYS.**

LET'S GO.

TODAY THE GUNS DON'T SOUND THE SAME, THE COLORS THAT WE NOW **BUY,** AND THE CLOTHES ARE ALL THE WRONG SIZE... YET **WE** CALL OURSELVES KILLJOYS.

EMPTY SPACES. LOST TRACES. BATTERY CITY RACES. GETTING TALLER AS OUR DESERT-- SMALLER.

DREAMS. VISIONS. SUICIDE MISSIONS. ANNIVERSARIES ARE LIES IF WE FORGET WHY THE CONFETTI FLIES.

THIS MORNING, BEFORE THE MASK HIDES YOUR EYES AND LAST NIGHT'S BLOOD DRIES, BEFORE THE BODIES AT THE ROADSIDE RISE, SEND YOUR THOUGHTS TO THE SKY IN HOPES THAT THEIR MEMORIES WEREN'T TAKEN ALONG WITH THEIR LIVES--

AND IT LOOKS LIKE OUR TWO MINUTES OF MORNING STATIC IS ALMOST UP. THIS SLAUGHTER-MATIC MOUTH NEEDS TO HIT THE RED BEFORE I END UP DJ'ING FOR THE DEAD.

DUH, HE WAS THE LEADER. **EVERYONE'S WAS!** MY FAVORITE WAS KOBRA. HE HAD SOME SASS, BUT GHOUL AND JET WERE PRETTY JAZZY TOO.

I KNOW WHO SHE IS AND I KNOW WHAT SHE'S HOLDING.

HOLY CRAP! IS THAT POISON'S MASK?! LIKE THE REAL ONE?

UGH! HOW DID WE MISS THAT? YOU KNOW HOW MANY CARBONS THAT THING IS WORTH?!

BUT YOU DIDN'T JUST RIDE WITH THEM. THEY WERE PROTECTING YOU. THEY THOUGHT YOU WERE SOME KIND OF MESSIAH, DIDN'T THEY? THAT YOU'RE GONNA SAVE US ALL.

NEWS FLASH, SWEETIE, JESUS DIDN'T SAVE THE WORLD. HE LEFT IT. AND THESE "FRIENDS" THAT WERE PROTECTING YOU...

HOW DID IT FEEL TO WATCH THEM DIE? YOU AREN'T A--

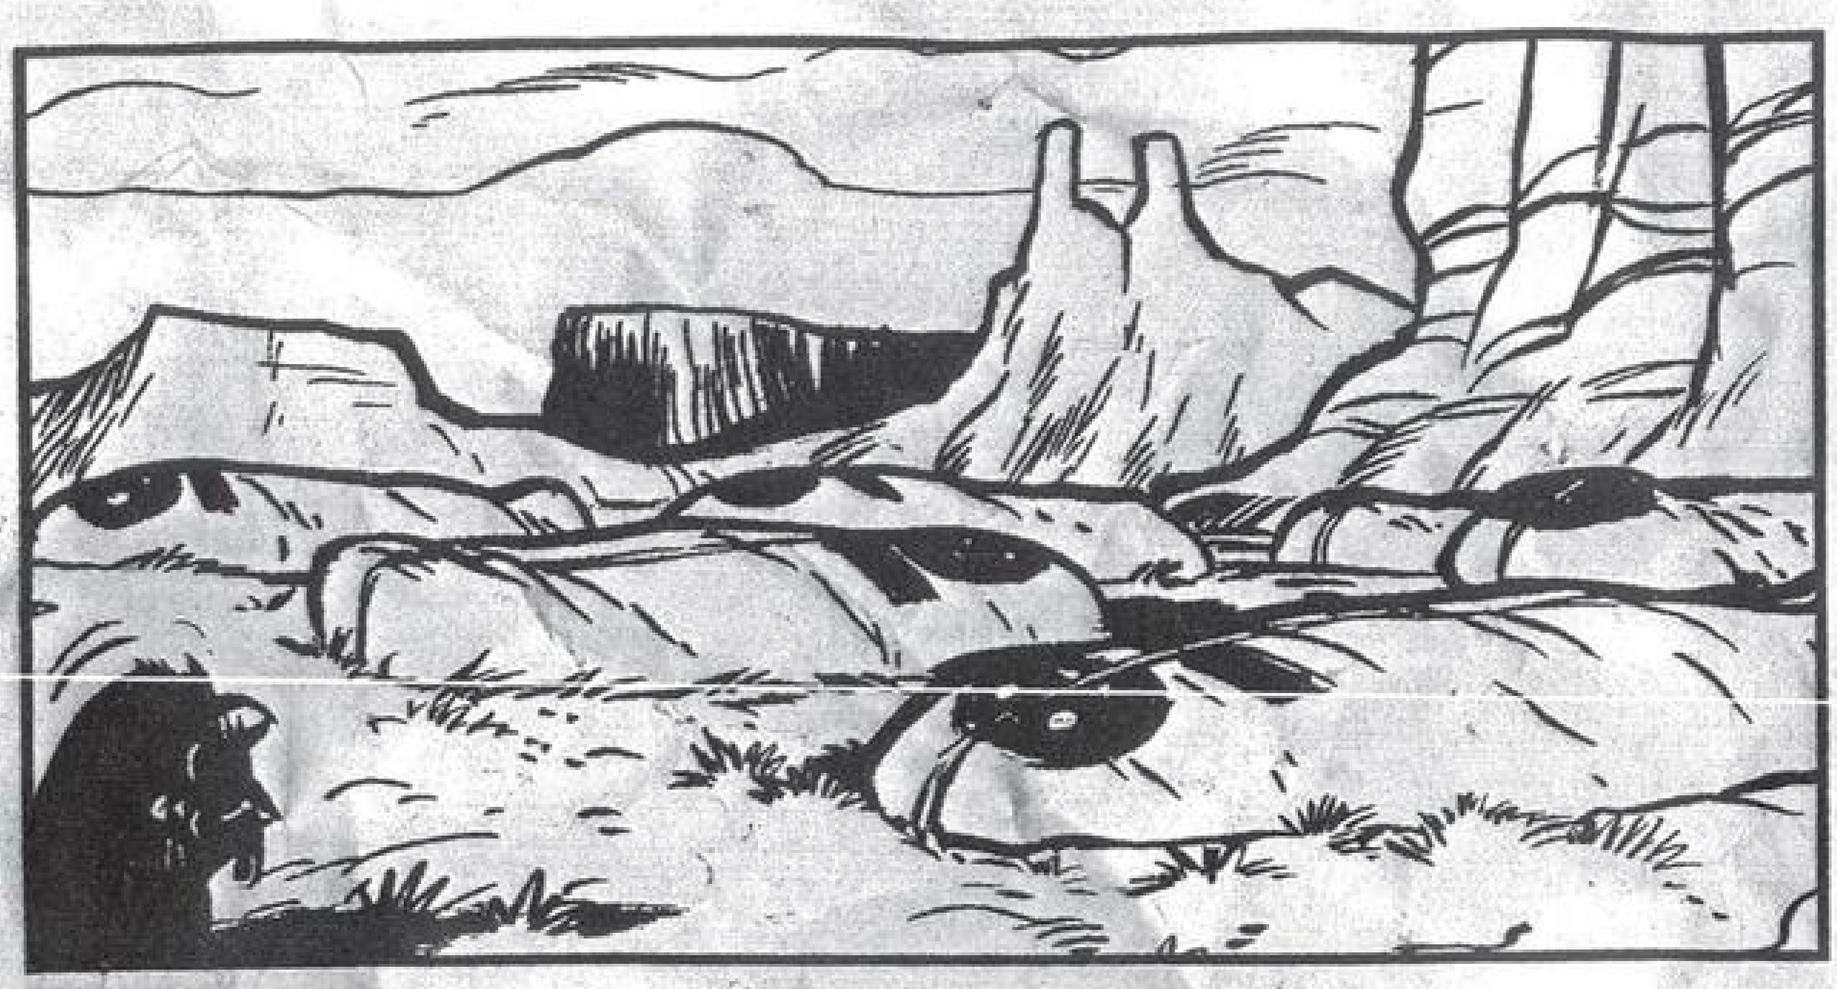
BL/ind



BODY BAG

Noun
Composition: 47% carbon, 39% plastic, 14% undisclosed

BLI-issue body bags are used to contain Killjoys and civilians of the Desert that are deemed inappropriate to join BLI by way of Draculoidization (See *Draculoidization*, Section C, pages 138–141). Body bags will be issued at the beginning of each shift for S/C/A/R/E/C/R/O/W/S/ and Draculoids. The number issued will be at BLI's discretion. All body bags must be filled by the end of each shift. If all body bags are not filled and/or accounted for, severe consequences will follow.

BLI BODY BAG USAGE DIRECTIONS:

Step 1 Confirm the subject's heart and lungs have stopped functioning and internal temperature is steadily dropping.

Step 2 Unzip your BLI-issue body bag and insert subject.

Step 3 Zip up your BLI-issue body bag, turn on the temperature controls, and set them to 98.6 degrees. This will insure the subject will continue to decompose during the cold nights in the Desert.

Step 4 Leave your now-occupied BLI-issue body bag in the open where our BLI trucks can clearly find and remove it for processing in Battery City. Any BLI-issue body bags not recovered due to an obstructed view will result in a negative count on your daily record.

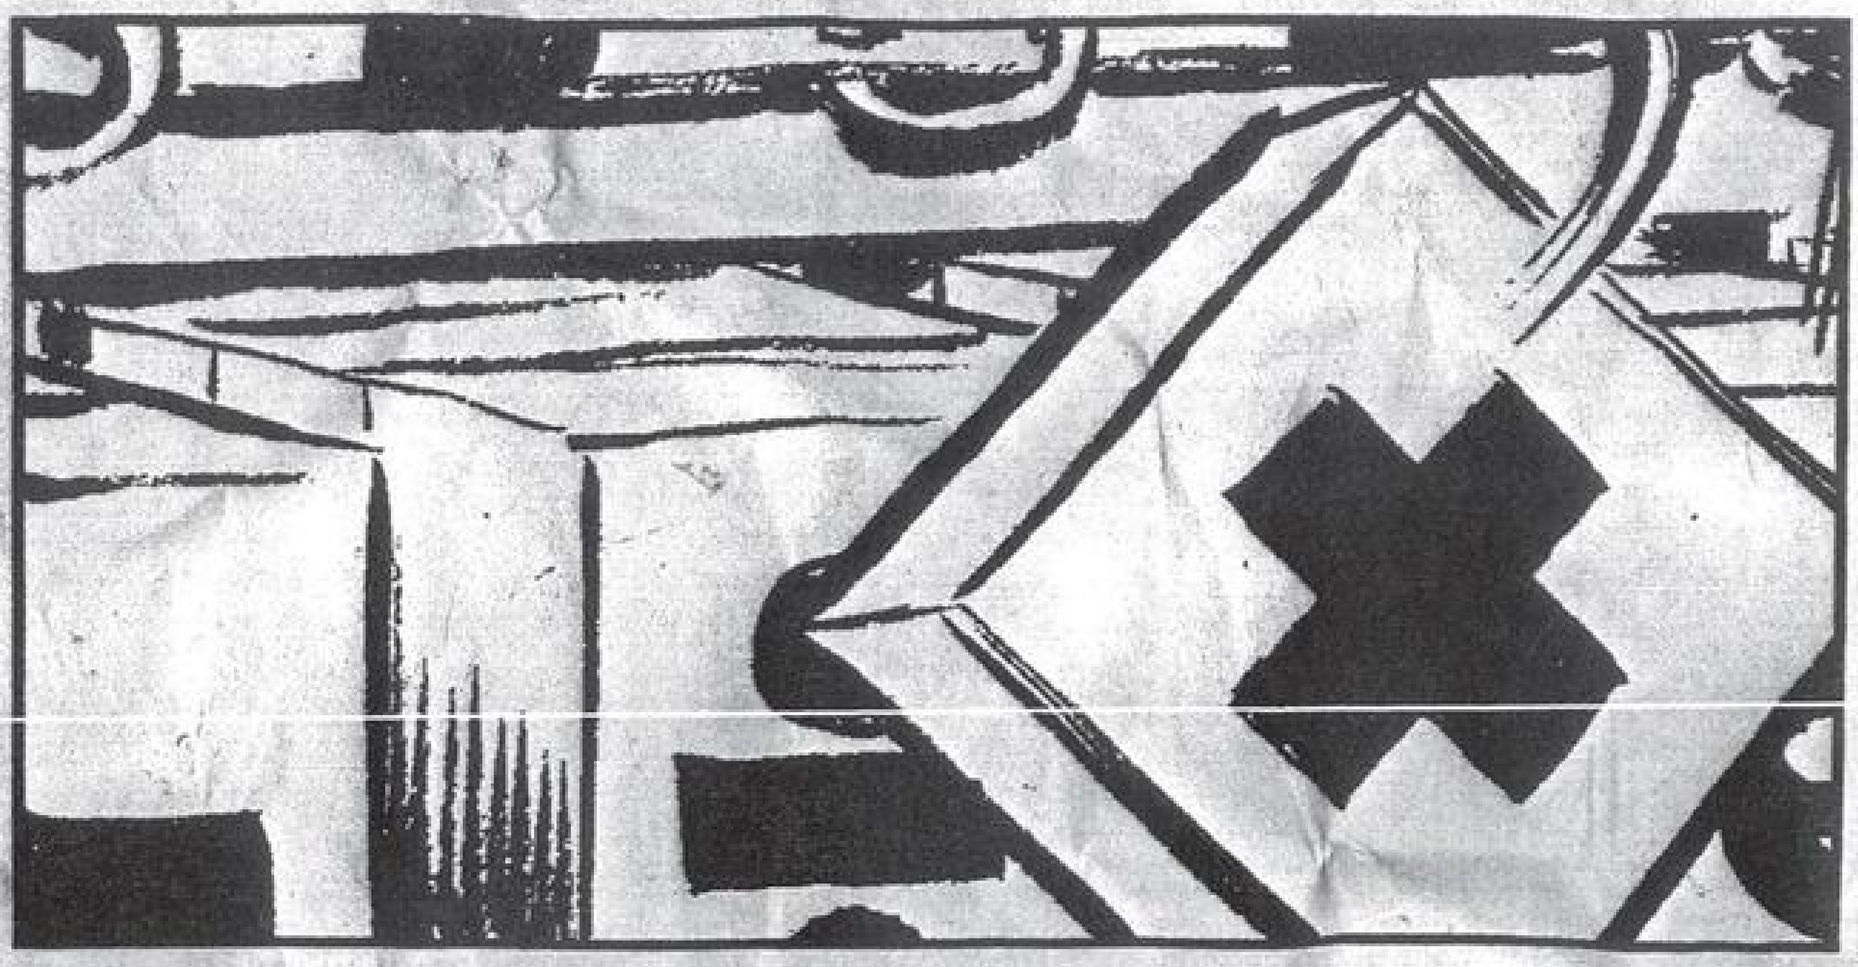
ATTENTION: All BLI Employees
Attached is an updated document consisting of revisions to Section M, Part 9, "The Lobby: Vocabulary of the People," of the Standard Services Employment Manual. Please insert into said manual immediately.



PLUS

Noun
Classification: Stimulant

Plus is a BLI-manufactured android pharmaceutical and a tremendous source of revenue to BLI. It will not take the place of a new, excessively expensive battery but will add life to an existing one. It is sold in vending machines throughout the Lobby.

Plus pricing continuously increases while the product itself continuously weakens in strength. This is so BLI can maximize profit margins while reducing output. Due to its addictive nature, Plus can be habit forming. Normally, habit-forming stimulants are frowned upon by BLI; however, in this case, considering the amount of money it generates and that it is only used by nonhuman androids, Plus is sanctioned.

NOTE: An android that overdoses on Plus cannot be recycled. The internal and external damage is in most cases too severe and it would be too costly to salvage.

IT'S LITTERED WITH INNOCENT SOULS, TRAPPED IN THE CITY'S ELECTRICITY. SOULS THAT CANNOT FIND THEIR WAY HOME.

HEY! WHERE'RE YOU GOING?

WAIT FOR ME!

HotComic.net

THERE'S NOTHING LEFT.

B.L.I. JUST COME AND TAKE IT.

IF THE PEOPLE OF BAT CITY KNEW WHAT THEY DO OUT HERE TO MAKE IT SAFER IN THERE...WE CAN SHOW THEM THE CORPSES. WE CAN SHOW THEM THE RUBBLE THAT WAS ONCE OUR HOME.

WE CALL OURSELVES KILLJOYS AFTER A GROUP OF FAILURES.

WE CAN DO BETTER. WE *WILL* DO BETTER.

IT'S TIME.

NO MORE HIDING OUT HERE AND WAITING FOR DEATH.

HotComic.net

IT'S TIME TO WAKE UP AND INFEST BAT CITY LIKE A CANCER.

IT'S TIME WE TOOK DEATH TO THEIR DOORSTEP, TO THEIR HOMES. TO THE ***ENTIRE*** CITY. LET'S PULL OUT THOSE RAY GUNS AND MAKE THEM SING! IT'S TIME WE TOOK THE WAR TO THEM!

HE'S NOT RIGHT, YOU KNOW. HE'S YOUNG, DANGEROUS, AND THINKS HE KNOWS EVERYTHING. HE SAW THE GUNS AND COLORS BUT NOT WHAT THEY REALLY STOOD FOR.

HE *IS* RIGHT. THE CITY *IS* B.L.I., AND B.L.I. NEEDS TO BE DESTROYED. WE NEED REVENGE FOR WHAT THEY DID TO US. THOSE MONSTERS TOOK OUR FRIENDS.

NO. THERE ARE PEOPLE IN THE CITY WORTH SAVING. IT'S BETTER TO FORGIVE. THIS ISN'T THE ANSWER.

YOU DON'T HAVE TO DO THIS. YOU HAVE A CHOICE.

YEAH. HEY, COLA...

CAN YOU TEACH ME TO SHOOT?

The True Lives of the Fabulous

Chapter Three: BLIND

>>> There's nothing Val Velocity, leader of the fashionably functional Ultra V's, hates more than authority. Ever since the party at the Nest ended, the V's and the other teenage gangs of the desert are homeless and lost. They need a leader. They want revenge. They've got Val. But with paranoia oozing from his designer leather jacket, and his sights set on the color red, is he really the one to keep the desert the free and peaceful place it once was? Or is he no better than the suffocating BLI?

HEY, DON'T LET THAT GHOSTER GET THE BEST OF YOU. IF YOU WANT IT TO DANCE, YOU MAKE IT DANCE. THIS GUY BACK HERE KNOWS A THING OR TWO ABOUT THE TWO-STEP.

YOU WANNA KNOW WHAT MADE ME A BETTER SHOT THAN ANYONE?

I DIDN'T LOOK AT MY ENEMY... I LOOKED AROUND THEM.

IT'S WHAT YOU DON'T SEE. THE AURAS. THE SPIRITS--WAVES AND FREQUENCIES. EVERYONE AND EVERYTHING HAS ONE. BUT YOU HAVE TO FIND THEM.

LOOK AT THOSE CANS. STARE AT THEM. YOU OWN THEM. THEY DON'T OWN YOU.

LOSE FOCUS. LET EVERYTHING AROUND THEM FILL YOUR SENSES UNTIL THE CANS FADE INTO WHAT SURROUNDS THEM AND IT ALL BECOMES ONE.

YOU'LL START TO SEE MOVEMENT--WAVES IN THE AIR--AURAS BLEEDING INTO NATURAL ELECTRICITY. THE UNSEEN IS ALL AROUND US. WHEN YOU FIRE YOUR GUN, THE BLAST CAN RIDE THOSE WAVES AND MAKE IT A PERFECT SHOT EVERY TIME.

YOU CAN RIDE THESE WAVES TOO. YOU'LL SEE ALL THE WAY TO BATTERY CITY FROM HERE. BUT YOU MIGHT NOT WANT TO JUST YET.

Chapter Four:

RUN!

The True Lives of the Fabulous Killjoys™

IT'S ALWAYS DARK in the Lobby, the underlit underbelly of Battery City. No one knows this better than Blue, a down-on-her-luck porno droid sick and tired of dim streets filled with wasted parts, static, and Scarecrow patrols lookin' to party. Blue's true companion is Red, whose battery is low and whose life is running short. Together they long to flee the confines of BLI and reach the desert, where the electricity stops and their new lives can begin.

THERE ISN'T ANY SPY! YOU'RE CRAZY! HE WAS JUST TRYING TO HELP US SURVIVE OUT HERE. HE... HE LOVED US.

GROW UP, SWEETHEART. SIT HERE AND SOB OR COME BACK WITH ME. YOU CAN HAVE A HOME WITH US. A PURPOSE.

THAT'S WHAT YOU WANT, RIGHT? B.L.I.'S SPY IS DEAD. I CAN FEEL THE GROUND SHAKING WITH AN ARMY OF DRACULOIDS AS WE SPEAK.

HA AHAA HA HA HA HA HAHA HAH HA AHA HA

AND WHAT ARE YOU GONNA DO WITH THAT? YOU AREN'T SOME GOLDEN CHILD--SOME SAVIOR. I DON'T KNOW WHY THE KILLJOYS WASTED THEIR TIME WITH YOU. YOU AREN'T SPECIAL. YOU'RE JUST SCARED AND ALONE. AND NOW, YOU WANT ME TO BE SCARED?

NO. I WANT YOU TO **RUN.**

ZZZT

RIGHT. WELL, WHY DON'T YOU JUST HANG AND WAIT TO DIE, THEN. I'M OUTTA HERE.

"IT APPEARS OUR NUCLEAR TRACKING DEVICE, THE C.A.T., HAS LOCATED THE STATION OF ONE CALLED DR. DEATH-DEFYING. A DEEJAY, THE 'VOICE OF THE DESERT,' AS SOME CALL HIM."

Chapter Five:

WAKING THE DESTROYA!

>>> In the Lobby, a district of Battery City shrouded in darkness and electric disease, the android population hope their messiah will one day come and set them free. It is believed that a godlike superrobot called Destroya will rise from the desert, part the clouds, and liberate the indentured servants held captive by the BLI-supplied electricity. One day the robots hope to bask in the sun's rays and know what freedom is.

HE DID SAVE ME. HE GAVE HIS LIFE TO SAVE MINE.

HEARD STORIES ABOUT THIS IN THE LOBBY. PORNO DROIDS MADE A BOOK--THEY CALL IT THE GRAFFITI BIBLE. TELLS THE STORY OF A GIANT METAL GOD THAT BROKE FREE OF B.L.I.'S POWER SUPPLY AND LEFT THE CITY. THEY SAID IT WILL ONE DAY RETURN AND FREE THEM ALL.

HA! THIS THING?! IT WAS A FAILURE. TOO BIG TO MANAGE, SO IT WAS SENT OUT HERE TO DIE. B.L.I. SCALED THE DROIDS DOWN AFTER THIS PROTOTYPE. I'D LIKE TO SEE THEIR FACES IF THEY FOUND OUT THEIR "GOD" RAN OUT OF POWER AND HAS BEEN DEAD FOR YEARS.

WHAT DO THEY CALL IT AGAIN?

DESTROYA.

WELL, WHATEVER IT WAS, IT'S NOW JUST ANOTHER PIECE OF JUNK THAT HAS TO BE DISPOSED OF.

IT'S NOT JUST A PIECE OF JUNK. THEY AREN'T JUST METAL AND WIRES-- JUST ROBOTS...

DRACULOIDIZATION

(The act of becoming a Draculoid)

Dracula is scary. Draculoids are scarier.

Draculoid masks are used when a prisoner or detainee is deemed suitable to serve as a BLI employee. A suitable candidate consists of a physically fit body with no previous ailments or damage to said body. Mental ailments, beliefs, or morals need not be taken into consideration while evaluating the candidate, since the mask will wipe all personality away. Draculoid masks can also be used to downgrade a higher-ranking BLI official, such as a S/C/A/R/E/C/R/O/W/, if the situation is appropriate. They can be used on the living or the recently deceased that have died with minimal bodily harm.

INSTRUCTIONS ARE AS FOLLOWS:

-After assessing the candidate and determining that it is deemed suitable for BLI employment, place a Draculoid mask on its head.

*Warning. Placing a Draculoid mask on a candidate's head will remove the soul of that candidate, wiping the body clean. You might experience a slight shock or be temporarily blinded for a moment while the life is being extracted. This is completely harmless to you and should cause no need for alarm.

***FAQ:** No, we are not sure where the soul goes, nor is that any concern of yours or ours.

HotComic.net

Cola told me everything before he died. He told me about how BLI came to be He told me about the fear that held them together.

He told me about life before the Killjoys were the Killjoys. How they were just teenagers, no older than I am, who saw something wrong with the world and stood up for it. They tried to change it. And how his friends all died just because they believed in something bigger than they were.

And he told me abaut the masks they wore. He told me the masks that represented individuality didn't stand for anything if there was nothing behind them. You could have the brightest colors—the most outlandish design, and it wouldn't matter if the person wearing didn't believe in what it stood for. He told me that sometimes if you don't change the world, the world will change you: And he left me with this:

"Because at the end of the day, when the lights go out and your friends go home. When the radio dies before the world ends. When the stars call and in pain.

There is a road that you can always walk to help you find your way. But it's not where you end up or where you started that matters. It's the pavement in between."
